21st October 2016

Dear Parents

Literacy Planet and Mathletics: *supporting your child's learning at home online*

To better support your child's learning in Maths and English this year we are subscribing to two excellent websites: Literacy Planet and Mathletics.

Each child will be given their own personal password to enable access to the resources at home. Our hope is that a strong and effective link will develop between work the children are doing in school and practice of skills at home

The cost of these online materials would be £89 for both if parents were to apply individually. As a school we will be able to reduce the cost considerably so that each child will gain access to both for **just £10 per year**.

This will be a wonderful investment in your child's education and provide a powerful tool to enable key aspects of learning to be supported in a structured way at home.

For each child we are asking parents to contribute £10.

We are planning a brief information meeting to demonstrate both Mathletics and Literacy Planet at **3.30 p.m. on Monday 31st October**. Please come along to find out more and ask any questions you may have.

This cost will be covered for those children in receipt of the Pupil Premium Grant.

Yours sincerely

Mr P Barfoot
Headteacher

Literacy Planet and Mathletics

Child's name: _____ Year: _____

I enclose £10 contribution to cover the cost of a year's subscription to Literacy Planet and Mathletics.

Signed: _____
