

Out and About

What can you do at home to help?

Talk about landmarks passed when out and about.
Watch and discuss weather forecasts and reports on television. Was the local forecast accurate?
Name and locate the UK's 4 countries, capital cities and surrounding seas.

Words we will use

England, Scotland, Ireland, Wales, London, Edinburgh, Cardiff, Dublin, English Channel, North Sea, Irish Sea, Atlantic Ocean, village, town, building, road, river, hill, woods, near, far, left, right, north, south, east, west, traffic, pedestrian, clean, dirty, peaceful, safe, dangerous, busy, quiet, rain, snow, hail, thunder, lightning, sunny, cloudy, windy, flood, drought.

Enterprise

We will be organising a one day litter pick event to improve our local environment.

Learning Skills

We will be developing our ability to learn independently and with others; we will learn when to have a go on our own and when to collaborate with others.

Christian Values

We will focus on creation, reverence, service, justice, thankfulness and humility through our work this term.

Global Learning

As Global Learners we will be exploring where our food comes from and how it gets here. We will discuss what is fair / unfair in relation to Fairtrade.

- **As Writers we will** write captions, poetry and stories set in familiar places. We will also write information texts related to seasonal changes and to the weather.
- **As Readers we will** read stories, poems and non-fiction texts related to the outdoors and to the weather.
- **As Scientists we will** explore the world around us observing changes over time. We will make connections between the weather, day length and the seasons. We will perform simple tests to measure rain fall and record results.
- **As Geographers we will** study key landmarks in our local area. We will identify ways to make our local area cleaner and safer. We will draw simple maps, use directional vocabulary and construct basic keys. We will use maps, globes and atlases to identify, name and locate the UK's 4 countries, their capital cities and surrounding seas. We will identify and observe seasonal and daily weather patterns and changes in the UK.
- **As Artists and designers we will** look at how artists and designers use colour, shape and pattern when printing. We will use natural found objects to create or own prints in the style of Richard Long.
- **As Musicians we will** explore different sounds and making our own instruments using natural found objects.
- **In RE** much of our work will focus on Harvest and Creation.
