

PTA Family Quiz

The PTA ran a family quiz night on Thursday 19th May and raised nearly £100 to add to PTA funds.

We hadn't run a quiz night for a number of years so we decided to give it a go and see how things went. It turned out to be a really good evening with questions on local knowledge, science, children books and TV, and guess the intro among other things. The picture round kept everyone amused as it had some great photos of teachers as children !

There was a raffle prize of a hamper of lovely food donated by staff. The prizes for the winning team were 2 tickets to September's wine tasting event for the adults and free tattoos at the summer fair for the children along with an amazing trophy for them to keep. The winning team who got to receive this trophy was Quizzing Quails. We would like to thank everyone who came along, as well as everyone who helped out selling raffle tickets, serving drinks and snacks etc. You were all amazing.

Hope to see you again next year.
