Empties Please

Dear Parent

We have come across a great new and easy way to raise funds for our school:

recycling used ink cartridges.

We will be working with a company called **Empties Please**. They collect and recycle used ink and toner cartridges the environmentally friendly way and donate the money raised back to school.

It's very simple. All we have to do is collect used ink cartridges and put them in our recycle bin. 'Empties Please' will collect the bin when it's full and then donate money raised straight back to our school with a certificate to display in our reception area.

They will pay us 75p for each original branded manufacturer ink cartridge*, 25p for a remanufactured ink cartridge* and 50p per original manufacturer laser toner cartridge*.

You can collect ink cartridges from anywhere; school, work, home, clubs, friends and family.

If you could display a bin in your workplace on behalf of our school please contact 'Empties Please' on 0844 879 7179 or email info@emptiesplease.com. Please ensure you provide our school's name so proceeds are credited to us.

Each child will bring home a recycle bag for you to fill with used cartridges, extra bags can be collected from the office if required but you can fit quite a few cartridges into one bag. The recycle bag lists which cartridges they are able to recycle. Please put your recycle bags in the 'Empties Please' bin located in the corridor at the front of school. The more cartridges we can collect the more money we can raise. The sky's the limit ! Let's make it a great success. Happy collecting!
