

SCHOOL MEALS

Our catering is sub-contracted to Orian Catering Services whose employees work on the school premises every day. Meals are produced on a three week cycle of menus. There is always a choice of hot meal at the point of service with the alternative option of a jacket potato and filling which can be ordered in advance.

Payment for school meals is made through the school office. Please contact the office for banking details if you would like to pay for meals by direct debit or BACs transfer. Money should be brought in an envelope with the name, class and amount written on the outside.

As part of the Government's Universal Free School Meals scheme all children in Reception, Year 1 and Year 2 are entitled to receive free school meals.

If you feel that you are entitled to free school meals (FSM) for your child please ask for further advice at the school office. As the school receives extra funding based on the number of children registered for free school meals it is important to register *even if you do not intend your child to take the meals or your child (in Reception Year 1 or Year 2) already receives free school meals.*

'Ever 6 FSM' is additional funding to help children from low income families who are eligible for free school meals. This now includes any child who has been registered for free school meals in the past 6 years. If you fall into this category activities such as school trips will be met from this funding. If you are not sure if you are eligible for this funding please check at the school office. This funding can also be used to support extra- curricular activities and any school events or trips for which a voluntary contribution is requested.
