Dear Parents

Children in Need

Congratulations to everyone who got involved with our fund raising efforts for Children in Need in November. Together we raised a fantastic £300. So whether you dressed up, voted multiple times or were dunked with beans or custard, thank you and well done.

PTA Disco

We raised over £200 at the two discos last week. A huge thank you to Adrian Thiedeman for his DJ services and to the PTA committee for organising the event. Thanks also to the children who sparkled and danced throughout.

Playground Development

We have been very excited to see the fencing for the Multi Use Games Area (MUGA) being installed over the last few days. We hope that it will be in full use this week, making the playground much safer and more fun for everyone. The shelter canopy is due to be erected in the last week of term and the new playground markings will be painted on in the new year. This has all been a long time in planning and many families have been helping to raise funds for the last few years. Thank you to everyone who has contributed and again to Sarah Collin, Chair of the PTA, whose energy and drive have helped turn the vision into a reality.

Roof Repairs

Ever since the new classroom was built three years ago there have been leaks from the flat roof. This week contractors are in school once again to try to sort out the problem. We are hoping that the minor disruption this will cause will be worthwhile, if we can stop the leaks once and for all.

Christmas Correction

In a correction to the last set of dates, there **will not be** a 'Sweaty Church' event after school on Friday 13th December. The next event is planned for the new year, more details to follow.

Thank you for your continued support.

Yours sincerely

Mr P Barfoot
