Dear Parents

## The First Day Back – All children to return to school full-time

After closure, lockdown, partial re-opening and then a summer holiday filled with education headlines, we got there in the end !

I am really pleased to say that every child we were expecting in school today is here and enjoying their learning. Thank you to all our parents for showing their trust and confidence in us. We hope that the structures and control measures we have put in place will enable us to teach as we need to, while keeping your children, and our staff, safe.

Getting the school ready for a full return has been an incredible effort by all members of staff. Our particular thanks, as always at this time of year, go to Mr Walker for the deep cleaning he does of the entire school during the long summer break.

## MOSAICS

At the end of the summer term Mrs Forshaw resigned her post as MOSAICS manager. She will be continuing in her role as mid-day supervisor. We want to thank Mrs Forshaw for her long service to the school and her support for the many children who have used MOSAICS as the provision has developed and improved under her leadership.

Mrs Chambers has taken on the role of manager of MOSAICS and we are really grateful for the hard work she has put in to enabling both the breakfast and after school clubs start from the very beginning of the term. We have had a number of changes to staffing in MOSAICS and are looking to recruit a new member of the team.

**Please note: Due to the increased cleaning and preparation necessary for the current organisation of MOSAICS, the After School Club sessions will finish at 5.45 p.m.**

## School Organisation

Thank you for your patience while we have been putting the details of our school organisational plans in place. There may well be further small changes as we try systems out. Please bear with us !

Yours sincerely
