

Tuesday 22nd February 2022

Newsletter and Updates Spring 3

I trust that everyone had an enjoyable and refreshing half term break, despite the challenges of the extreme weather !

Some important dates for your diary:

World Book Day Thursday 3rd March

We will be celebrating World Book Day on Thursday 3rd March and ask that children come to school that day dressed as a character from a children's book. We look forward to enjoying your creativity and imagination again this year !

£1 book vouchers will be coming home with your children today. They are valid until 27th March.

Parent / Teacher Conferences Tuesday 8th and Thursday 10th March

We will be running the next round of Parent / Teacher conferences face to face in school on the afternoons and evenings of Tuesday 8th and Thursday 10th March. There will be opportunity to look at and celebrate children's work in the classrooms.

Booking will be online via the Teachers2Parents system. More details to follow.

Art, Design and Technology Week 14th – 18th March

We are planning to run a week of activities supporting learning in art, design and technology between 14th and 18th March. If any parents working in the engineering or design industries would be willing to visit classes that week to talk about their training and work, please let us know.

Red Nose Day Friday 18th March

Just to give advance notice that we will be celebrating Red Nose Day on Friday 18th March when children will be able to come to school dressed as a super hero of their choice.

MOSAICS

All families have been sent a copy of the new MOSAICS charging and cancellation information. Please note that, from this week, charges will be made for places booked but not taken or cancelled in good time.

MOSAICS Breakfast and After School Club is run as a business providing a service to parents. In order for the provision to be maintained it is important that we are able to cover costs. We ask that all payments be made weekly wherever possible.

Attendance and Punctuality

It is vital that all children attend school and arrive on time each day. Please can all parents make this a priority, as lateness and absence have an impact on children, teachers and learning.

Yours sincerely

Peter Barfoot
Headteacher
