

School Sports Report Summer Term 2018

Wow! What a lot we have done.

Laura Smith (our local School Sport Co-ordinator) has enjoyed doing Hockey with Year 5 and Cricket with Year 4, also some taster sessions in Reception. Miss Smith is helping us develop not only the children's but staff skills too.

Years 2, 3, 5 & 6 have been learning Cricket skills with Johnathon Osbourne. It was great to see so many KS2 pupils enjoying the Friday After School Club.

Windermere Outdoor Centre invited year 5 for a taster session where we enjoyed Sailing and Canoeing. It was very wet but the children showed endurance, teamwork and embraced the day.

Canoeing Club has also taken part this half term which saw 16 children from year 5 take to the water once again. Enjoying Sailing, Canoeing and kayaking. This Club is always on and the activities are weather dependent and is an introduction for some to try out water based activity before year 5/6 residential.

The annual Ski Race at Kendal Centre was a fantastic event. Seeing 12 children from year 3,4,5 & 6 take part in head to head races against 18 other schools.

Years 5 & 6 enjoyed another residential at Keppleway and took part in activities like Canoeing, orienteering, Rock Climbing and Abseiling.

RUFC opened its doors once again to welcome local schools to a Rugby festive for Year 4 pupils. Year four also took part in Swim Safe on Lake Windermere Olympic Day at KKs and finally a Rounders Competition.

Finally some children from years 4,5 and 6 entered the Dick Viney competition hosted by Kendal Athletics. We came second overall with some great personal achievements and lots of fun.

Most pupils have also completed the 100 mile challenge again this year.

Well done to all our children who have taken part in our sunny Sports Day and helped to make the day successful and enjoyable.

Thank you for all your support with the travel arrangements and the commitment parents make when they sign up to help.

Thank you to Mrs Illingworth and Mrs Clark who help with all the admin and co-ordination of our days out.

Here's to another great year of Sport in 2018 - 2019

Mrs Paxton

(and a huge thank you to Mrs Paxton who helps to organise all of these experiences and events)
